PETITION FOR WITHDRAWAL OF ABANDONMENT
PURSUANT 37 CFR 1.181

Sir:

On February 9th, 2006, Applicant received a Supplemental Notice of Allowance without ever having received the Notice of Allowance and Notice of Allowability mailed November 4, 2005. The Notice of Allowance specified February 6, 2006 as a deadline for paying the issue fee, and that if the fee was not timely paid, the application would be regarded as abandoned.

The record at the PTO makes clear that the Notice of Allowance and Notice of Allowability were not received by the Applicant because these notices were returned to the PTO for not being addressed to any recipient. See PAIRS, IMAGE FILE WRAPPER, November 14, 2006, Mail returned to USPTO as undelivered, page #12.

Applicant respectfully requests that a Notice Of Allowance be re-issued and that the period for responding thereto be reset. Further, if the application has in any way been held to be abandoned, Applicant respectfully requests that this holding be withdrawn.

Respectfully submitted,
